Executive Principal: Post 16 Education: Mr D Holtham BSc (Hons)
Chair of Governors: Maurice Miller BComm FCA

Chief Executive Officer: Sir John Townsley BA (Hons) NPQH

12 November 2019

Dear Parent/Carer

I am writing to inform you that mock examinations will be taking place in College from Monday 9 December to Friday 20 December. All students in Year 13 will undertake a mock examination for each of their subjects during this time.

The purpose of the mock examinations is to provide students with an opportunity to experience a true to life situation and to help them to feel more at ease with the examination procedures prior to completing their external examinations in the summer. This will include ensuring that students understand the exam protocols and an opportunity to practice demonstrating their knowledge, skills and application under timed conditions. Students have received their mock examination timetable during this week's Guidance Tutorial. Please ensure that your son/daughter has checked their timetable carefully and that they are punctual for all examinations. Mock examination results day will be held on Monday 27 January. Detailed information regarding all examinations can be found on the college website:
https://www.elliotthudsoncollege.ac.uk/student-life/exams/

As the term continues, staff are focusing on exam preparation and will offer a range of support, including revision sessions, additional exam support in lessons and additional revision resources. We would encourage all students to access the support on offer and to maximise their time in revision and mock preparation.

Students have been working hard to build good study habits through the use of checked additional study and wider additional study. On the whole, students are developing these habits well and we appreciate your support with the additional work that students have been doing outside of lessons. It would be much appreciated if you could support us in encouraging students by quizzing them on their knowledge and discussing the topics being covered.

Thank you for your ongoing support.

Yours faithfully

David Holtham
Principal
