

11 January 2021

Dear Parents/Carers,

I am writing to you to introduce myself – Hannah Whitaker and my colleague Shelly Johnson as the newly appointed leaders of the SEND team at Elliott Hudson College from January 2021. Hannah Whitaker has taken on the role of SENDCo, with Shelly Johnson acting alongside as SEND Lead for student support. We are very much looking forward to supporting every student with their aims to achieve their full potential with us over their Sixth form study and beyond.

As individuals, both Shelly and I are passionate about providing outstanding provision for students with additional needs and we are keen to ensure that we work very closely with you as parents and carers, teachers and the alliance team, as well as directly with the students.

As a SEND team, we have been appointed to further enhance the provision for all students at the college, and to compliment the outstanding work already being delivered within the college. Particularly, at this time of uncertainty, we are here to support the students to access and succeed in their learning; and to support them pastorally.

If you would like to discuss you son/daughter's needs any further, please feel free to contact us via email (hannah.whitaker@elliotthudsoncollege.ac.uk or shelly.johnson@elliotthudsoncollege.ac.uk).

Yours sincerely,

Hannah Whitaker and Shelly Johnson
