

20 July 2021

Dear Student

Firstly, I would like to congratulate you on completing your A Level courses. These last 2 academic years have been challenging at times and I have been truly impressed by your resilience in adapting to these difficult circumstances.

I would like to take this opportunity to thank you for all your hard work and fantastic contributions throughout the duration of your A Level courses. I am sorry that we could not celebrate the end of your studies as we planned to and remain hopeful that we will be able to celebrate together soon.

Results day – Tuesday 10 August 2021.

We are asking all students to let us know if they are planning on coming to college to collect their results. Please use the link below and **complete the form** to inform us of your intention. We need to receive your completed form by 4:00pm on Wednesday 4 August 2021.

Click the link to the form [here](#)

If you do not complete the form, we will assume that you are coming into college to collect your results.

You will be able to come into college between 8:00am and 12:00 midday to collect your results.

If you require support, staff from your alliance team and the careers team will be available, and you will be able to access computer rooms for the Clearing process if necessary. Students seeking apprenticeships and employment can also access support from the careers team on results day.

What if I cannot come into college?

If you are unable to come into college on results day, please indicate using the link to the form above.

- You can opt to have them emailed to you. Results will be emailed out to your college email address at 8.00am on results day for those informing us they wish to take this option. Please note that results **will not** be emailed automatically if you do not attend on results day or do not complete the form above.
- Alternatively, you can nominate someone to collect them for you. If you are unable to collect your results in person and would like to nominate someone to collect on your behalf, please indicate this using the link above. Please note that this must be a trusted adult and cannot be a current student at Elliott Hudson College from Year 12 or Year 13. You must inform us of your nomination no later than Wednesday 4 August 2021.

It is not possible to give results to a third party unless we have received permission and the third party must show photographic identification on their arrival at college.

What if I intend to come in to collect my results and then I am unable to?

If you are unexpectedly unable to collect your results, please email studentsupport@elliottthudsoncollege.ac.uk and a member of staff will contact you to arrange getting your results to you.

Can I bring someone with me?

Students cannot be accompanied into the building by parents, carers or any other person who is not collecting their A-level results. They are welcome to wait in the car parking area whilst you are in college. Please note car parking on site is limited.

What if I do not achieve the grades I need for university?

For those students who need support and advice following their results, members of the Careers and Alliance teams will be based in computer rooms to guide you through the process on results day. If you are concerned about this, please take a look at the Clearing advice page on UCAS: <https://www.ucas.com/undergraduate/results-confirmation-and-clearing/what-clearing>

What if I have not sent a UCAS application and decide I want to go to university?

You can still make an application on results day. There will be careers staff available in computer rooms to support you with this.

What if I need support after results day?

The careers team can provide advice and guidance to any student regarding their destination plans. Students seeking employment and apprenticeship opportunities can still receive application support from the careers team, including when college returns in the autumn term. Please email careers@elliottthudsoncollege.ac.uk Members of the careers team will be in college from 9.00am – 12.00pm on Wednesday 11 August and Thursday 12 August to help any students seeking support and advice.

Student email addresses

Please continue to check your college email regularly. Your EHC email account will remain active into the autumn term as we appreciate that there are students who may want to seek support from college for areas such as career planning.

My advice for the next few weeks is to take a well-earned rest, recharge your batteries and start to prepare for the next stage in your journey, whether that is further study or moving into employment. We are still here to support you, and you are welcome to contact us should you wish to.

Today, on behalf of all staff at Elliott Hudson College, please can I wish you all the very best of luck in the future.

Yours sincerely

David Holtham
Executive Principal: Post 16 Education
