Dear Parent/Carer

As I am sure you will be aware there have been an increase in the number of reports relating to drink spiking across the city over recent weeks. Please find a letter that has been sent to all students to provide them with key information on the issue of drink spiking and advice on how to protect themselves.

Please also see a link to a Parent/Carer Survey. The survey is designed to gather your views on the college and will help us to continue to improve the experience that we provide not only to our students but also to you as Parents/Carers. We would really appreciate it if you would take 5 minutes to complete it. The survey will remain accessible until the end of November.

I would like to take this opportunity to thank you for your continued support.

Kind regards
